

Dear _____,

I am reaching out in the hopes that you will be part of a cause very important to me.

This year, I am serving as a Table Captain for Center on Halsted's Human First Gala, which is being held the evening of **Saturday, April 15**, in Chicago at The Geraghty.

You may already know that the annual gala is an inspiring and fun event that is the Center's largest fundraising event of the year. It supports the Center's great work reaching thousands of LGBTQ+ community members each year across the Chicagoland area.

As a table captain, I am working to fill a table of 10 for the evening, and would so love for you to be a part of it.

All of the information on the gala, including a link to purchase tickets, is available at **centeronhalsted.org/gala**.

On the ticket purchase form, there will be a question asking whether the ticket is being purchased in response to a Table Captain. Please make sure to note me as your table captain on the form, and the Center will ensure you are seated at my table.

For more information or questions about the event, please drop me a line or email **Ben Sprunger, the Center's Manager of Individual Giving**, bsprunger@centeronhalsted.org

Thank you so much and look forward to seeing you on April 15!

Best,
