director’s circle membership

To deliver vital programs and services, the Center relies on Director’s Circle members for nearly one-third of the Center’s operating revenue. Since opening in June 2007, Center on Halsted has been a catalyst providing services and linking community resources to affirm and strengthen our LGBT community. Become a crucial part of this rich history and help create a new reality for the future by making your Director’s Circle contribution today.

From your generosity, lives are enhanced and saved; opportunities are explored and created; identities are discovered, affirmed and celebrated; and those in need are served. A new reality for LGBT Chicagoans takes form.

— Modesto “Tico” Valle, Executive Director
